

广州大学

GUANGZHOU UNIVERSITY

TRANSCRIPTS

Student ID: 1307200173

Name: Liu Shengxu

Date of birth: 16/06/1995 Length of Schooling: four years

Major: Mechanical Design & Manufacturing and Their Automation

Schooling Period: from 09/2013 to 07/2017

Course	Credits	Grade	Course	Credits	Grade
Fall Term 2013-2014			Life Science and Human Lives	2.0	A
The Basis of Computer	2.0	84	The Four Famous Works---Peak of Chinese Ancient Novels	2.0	99
College PE1	1.0	97	Fall Term 2015-2016		
College English1	3.0	75	The Universe: Perspectives from Einstein to Hawking	2.0	99
Higher Mathematics I1	5.0	68	SCM Technology and C Programming Technology	3.0	B
Engineering Drawing Technique I	3.0	87	Engineering Heat Transfer	1.5	B
Numerical Calculation and Programming Technology	0.5	B	Interchangeability and Measurement Technology	2.5	74
Thought Morals Tutelage and Legal Foundation	4.0	81	Mechanical Design and Manufacturing Practice	3.0	A
Specialized Introductory Remarks	1.0	B	Mechanical Manufacture Technology	3.5	69
Spring Term 2013-2014			Maoism and Socialism with Chinese Characteristics	6.0	68
College PE2	1.0	97	Operational research	2.0	79
College Physics I1	2.5	62	Seeking Happiness: A View from of Western Ethics History	2.0	99
Experiments in College Physics I1	1.0	C	Spring Term 2015-2016		
College English2	4.0	76	Testing Technique	2.5	78
Higher Mathematics I2	5.0	60	Career Development and Guidance for Graduates	0.0	A
Engineering Design Drawing Practice	1.0	D	Management of Industrial Enterprises	2.0	82
Engineering Practice I	3.0	C	Fluid Mechanics	1.5	A
Engineering Drawing Technique II	3.0	67	Production Practice	3.0	A
Management Psychology	2.0	90	Numerical Control Technology & CAM	2.0	86
Military Theory and Training	2.0	80	The Cultrue of Mathematics	2.0	100
Theoretical Mechanics I	2.0	60	Modern Quality Management	1.0	A
Psychological Health Education	1.0	A	Project Management	1.0	A
Summary of Modern and Contemporary Chinese History (1840-1949)	2.0	77	Study of Current Affairs & Policies	0.0	B
Fall Term 2014-2015			Technology of Hydraulic & Pneumatic Transmission	3.0	88
Materials Science & Technology	2.0	61	Finite Element Technique	0.5	A
College PE3	1.0	94	Fall Term 2016-2017		
College Physics I2	2.5	66	Engineering Economy	2.0	64
Experiments in College Physics I2	1.0	C	Electromechanical Control System Making Practice	3.0	B
College English3	4.0	68	Mechanical Automatic Control Principles and Technology	3.5	69
Engineering Practice II	1.0	B	Frontier Technology of Engineering Science	1.0	89
Mechanism Design Technology	3.0	61	Advanced Manufacturing Technology	1.0	84
Mechanical CAD Technology	1.0	C	Understanding China with Economic Wisdom	2.0	99
Theoretical Mechanics II	4.0	84	The Chinese National Spirit	2.0	99
Team Management and Communication	2.0	C	Spring Term 2016-2017		
Drama Appreciation	2.0	88	The Graduation Design	15.0	B
Linear Algebra II	2.0	68	*****Undergraduate Career Totals *****		
Chinese Traditional Culture	2.0	78	Total: 177.5		
Spring Term 2014-2015			GPA (0.0-5.0) : 2.92		
Mechanics of Materials	4.5	86	*****End of Transcript*****		
College PE4	1.0	98			
College English4	3.0	83			
Practice of Electrical and Electronic Engineering II	1.0	A			
Electrical and Electronic Technology	4.0	63			
Probability theory	2.0	80			
Mechanism Design Practice	2.0	D			
Mechanical Design Technology	3.0	63			
The Basic Principles of Marxism	3.0	75
